

## **Casino Party Procedures**

1. When guests arrive, each guest is given a players pass worth \$1000 in chips.
2. Guests proceed to any gaming table and turns in the players pass for chips. Chip denominations are \$100 (Red Chip), \$25 (Blue Chip) and \$5 (Yellow Chip).
3. Guests play approximately three hours. At the end of play, the player's winnings are cashed in for raffle tickets.
4. Guests receive one raffle ticket per \$500 in winnings. Each guest also receives two raffle tickets just for being there. If guests wish not to participate in the casino games, they will be given four tickets total (two tickets for \$1000 players pass and two tickets for being a guest at the party).
5. Guests are capped at a maximum of 30 raffle tickets.
6. Guests are instructed to put their names on the back of their raffle tickets and drop one part in the raffle drum and keep one part for the drawing.
7. Once all tickets are deposited in the raffle drum, a final call is made for all tickets.
8. The raffle is pulled and prizes are given out.
